

Dear Advocacy Colleagues:

Support 2010 Social Workers' Legislative Education and Advocacy Day (LEAD)

NEW FORMAT

NEW LOCATION

NEW TIME

On **Wednesday, February 10, 2010**, NASW-IN Chapter is one of the sponsors of Social Workers' Legislative Education and Advocacy Day (LEAD) at the Indiana State House. Each year LEAD allows social workers to empower themselves on how to become an influential voice in the advancement of sound social policies. Because of partners like you, we have been able to bring LEAD to Indiana for "ten" continuous years. In 2009, nearly 600 social workers and social work students learned of the LEAD experience, and we expect even more this coming year. Legislators are enthusiastic about the opportunity to speak to the participants at LEAD, and Social Workers (SW) and SW students are excited to be a part of the LEAD tradition.

To continue influencing social policy in 2010, we are asking you to collaborate with us in **supporting and sponsoring LEAD**. We have started the 2010 list with some organizations who have already committed financial support for **LEAD**.

**Indiana Association of Social Work Educators (IASWE) - Indiana Health Fraud Task Force
Indiana University School of Social Work - National Association of Social Workers – IN Chapter
Planned Parenthood Advocates of Indiana – and so many others.**

Your support is **essential** and very much appreciated for "Social Worker's Legislative Education and Advocacy Day for 2010". Please fill out the form below and return it today. The name of your organization, school, or association will be **listed as a sponsor** in the program for February 10, 2010, which is distributed to all participants of LEAD and posted to the NASW-IN website.

Each supporting and sponsoring organization is recognized in the LEAD Program that is distributed to all LEAD participants; on the NASW-IN Website for a full year in the Advocacy section, and the NASW-IN Spring Newsletter. In addition, "Supporting Sponsors" at the \$500.00 level and above may choose a 6-foot display table.
